Sub: Regular Interval Inspections for Verifying Compliance with Biomedical Waste Segregation under the Biomedical Waste Management Rules, 2016. - reg.

Respected Sir/ Madam,

As part of our ongoing efforts to ensure proper biomedical waste management practices, Indian Medical Association Goes Eco-Friendly (IMAGE) will be conducting regular interval inspections, as stipulated in the Memorandum of Understanding (MOU) or Terms & Conditions of IMAGE.

The primary objective of these inspections is to verify that your institution is adhering to the guidelines for proper segregation and storage of biomedical waste. This includes ensuring that the biomedical waste is correctly categorized, stored, and transported to prevent environmental and health hazards.

We believe that proper biomedical waste management is crucial for protecting the health and well-being of patients, healthcare workers, and the community at large. Your institution's cooperation and commitment to adhering to these guidelines are greatly appreciated.

During the inspections, our authorised team will assess the situation of biomedical waste segregation in your institution.

Forever Yours

Manager Operations: 94459 98922; Administrative Officer: 81389 99960 [WhatsApp]
Reception: 0471-2741188, 2742211, Front Office: 96569 93339, Billing Section: 98476 62226 [WhatsApp]
E-mail: imageimaksbtvm@gmail.com Website: www.imageima.org

The Panacea for all Biomedical Waste

We would like to request your institution's continued support and cooperation in this matter.

Thank you for your attention to this important matter.

Sincerely,

Dr. Krishnakumar P. V.

Hon. Secretary IMAGE IMA KSB
