PARISTHITHI MITHRA AWARDS 2025

IMAGE (IMA Goes Eco-Friendly) Awards: Recognizing Excellence in Biomedical Waste Management Among IMAGE-Affiliated Healthcare Facilities

In recognition of your steadfast commitment to supporting IMAGE in the implementation of biomedical waste management services in healthcare facilities, in strict compliance with the Biomedical Waste Management Rules, we are pleased to announce the presentation of awards on **World Environment Day, Thursday, June 5, 2025, at the IMAGE Plant**. These prestigious awards will be presented in the following categories:

- Hospitals (50 beds and above)
- Hospitals (below 50 beds)
- Clinical Laboratories
- Dental Clinics
- Outpatient Clinics
- Other Affiliated Facilities

The selection process will be based on the following:

- Proper segregation of biomedical waste
- Availability of adequate storage facilities
- Positive attitude towards collection staff
- Timely payment of service charges
- Accurate record-keeping
- Effective barcode scanning compliance
- Implementation of eco-friendly initiatives within the facility
- Accessibility for collection vehicles
- Regular monitoring and audits to ensure compliance and continuous improvement in waste management practices

We look forward to recognizing and celebrating healthcare facilities that exemplify excellence in biomedical waste management.

To identify deserving healthcare facilities for these awards, we have created a Google Form for applications. Healthcare institutions interested in this recognition are encouraged to submit their applications through the provided link. Your active participation and support in this initiative are greatly appreciated.

Last date for submission of applications is before 4:00 PM on April 20, 2025.
